

# JOYCE NGIO

## WEB DEVELOPER

### ABOUT ME

Currently in university, I have gained skills such as coding and basics of networking. I can put this skills into use. I have also learnt how to work with my course mates that is teamwork.

With a KCPE and KCSE certificate , I'm eager to use my practical experience and academic knowledge in the areas which I can . I posses a keen understanding of basic computer knowledge , coding and designing web pages.
